Videos of several of the plenary talks from this year's Society for Cultural Anthropology [conference on Natureculture](#) – which [Stephanie Lloyd recently reported on](#) for Somatosphere — are now available for viewing and listening on the *Cultural Anthropology* [journal website](#) and on a [Vimeo site](#).

I am embedding videos of the talks by [Judith Farquhar](#) and [Donna Haraway](#) below, and on the CA site you can also view [Sarah Whatmore's](#) talk, "[Affective Environments: Thinking Through Flooding](#)" and [Stefan Helmreich's](#) "[Nature/Culture/Seawater](#)."

**Judith Farquhar** (University of Chicago), "[Plural Ontologies, Medical Agency: How Chinese Medicine Argues About Being](#)"

**Donna Haraway** (UC Santa Cruz) "[Staying with the Trouble: Xenoecologies of Home for Companions in the Contact Zones](#)"
