Announcements on Transcriptions

2012-04-24 07:00:35

By Morgan Philbin

[Announcements](#) on Transcriptions will list information, events, and opportunities related to HIV and global health. This will include relevant conferences, calls for papers, seminars, book launches, funding opportunities and other pertinent events.

If you'd like to bring events/opportunities to our attention that you think should be distributed through posting on this site, please contact us at transcriptions@somatosphere.net.
