By Eugene Raikhel

I was happy to learn that Somatosphere made the list of [top 10 \(really 12\) anthropology blogs](#) — the result of a survey put together by Jason Antrosio at [Anthropology Report](#). Thanks to Jason for putting this together. We're in great company on the list, with excellent sites such as [Savage Minds](#), [Neuroanthropology](#), [John Hawks Weblog](#) and many others.

Following up on [last week's list](#) of book reviews, research reports and other pieces from 2011, I wanted to put together a list of “[In the Journals](#)” and “[Web-roundups](#)” summaries from last year. A huge thanks to all of the contributors who have done such an excellent job on these pieces and to Aaron Seaman and Erin Koch, who edit “[In the Journals](#)” and “[Web-roundups](#)” respectively.

In the Journals
