By Eugene Raikhel

Somatosphere turns [five years old](#) this month and I wanted to take this opportunity to thank everyone who's helped to develop and grow this site over the years: our dedicated [editorial collective and team of over forty regular contributors](#), our web designer [Maarten Ottens](#), the [guest contributors](#) (almost 100 of them) who have written for the site, and of course our many readers.

We have more exciting projects in the pipeline but, as always, we'd love to hear your suggestions for what you'd like to see Somatosphere do more of. Would you like to see closer coverage of particular issues? New kinds of posts or features? A peer-reviewed component to the site? Get in touch with us at admin@somatosphere.net and let us know your thoughts – as well as ideas for specific pieces you'd be interested in writing.
