2014-02-04 09:35:59

By Eugene Raikhel

We are happy to announce that the [5th Annual Medical Anthropology Young Scholars \(MAYS\) Meeting](#) titled "Peer-to-Peer Aid" will take place on July 4-5 at the Freie Universität Berlin.

The meeting will be smaller than the previous MAYS events in order to foster an even more productive exchange of thoughts among the participants in the familiar enjoyable MAYS atmosphere.

Apart from paper presentations in two parallel working groups with plenty of room for discussion, there will be two expert-led, practice-oriented workshops of interest to junior scholars in Medical Anthropology.

For more information please see the [Call for Papers](#) on the MAYS website www.mays-easa.org.

We cordially invite you to send your abstract to mays.easa@gmail.com by February 23rd.

We're looking forward to getting to know your work and meeting you in Berlin!

Dominik Mattes (MAYS Coordinator) and the organizing team at FU: Mustafa Abdalla, Anika König, Caroline Meier zu Biesen, Ursula Probst, Britta Rutert, Miriam Weihe
